

South Carolina Department of Health and Environmental Control  
Office of Ocean and Coastal Resource Management  
927 Shine Avenue  
Myrtle Beach, South Carolina 29577

**December 10, 2013**  
**Permit Application Public Notice**

***Hayden Quattlebaum, OCRM-13-334-S***

The Department has received an application for a permit for the alteration of a critical area. The application was submitted pursuant to the Coastal Zone Management Act (Act 123) of 1977 South Carolina General Assembly. The application in brief, is described as follows:

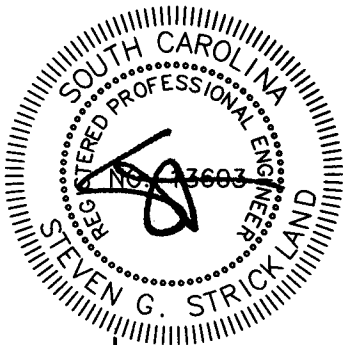

**LOCATION:** On and adjacent to Salt Creek at 3559 Marion Lane, Murrells Inlet, Georgetown County, South Carolina.  
TMS: 41-0106-044-00-00.

**WORK:** The work as proposed consists of constructing a dock and erosion control device. Specifically, the applicant seeks to build a 4' x 58' walkway, with handrails, leading to a covered 10' x 10' pierhead. Floodside of the pierhead, a 3' x 3' ramp landing will support the 3' x 10' ramp and access a channelward 6' x 10' floating dock. Ebbside of the pierhead, a 12' x 12', four-pile boatlift is proposed. The applicant also proposes to construct a 162' timber bulkhead 18" channelward of the OCRM Critical Area Line. The work as described is for private, recreational use and erosion control.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by the Department can be based. Comments concerning the proposed work must be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

Comments regarding this application must be received by the Department on or before **December 25, 2013**. For more information, please contact  
**Chris Stout** at **843-238-4528** or via email at **stoutcm@dhec.sc.gov**.

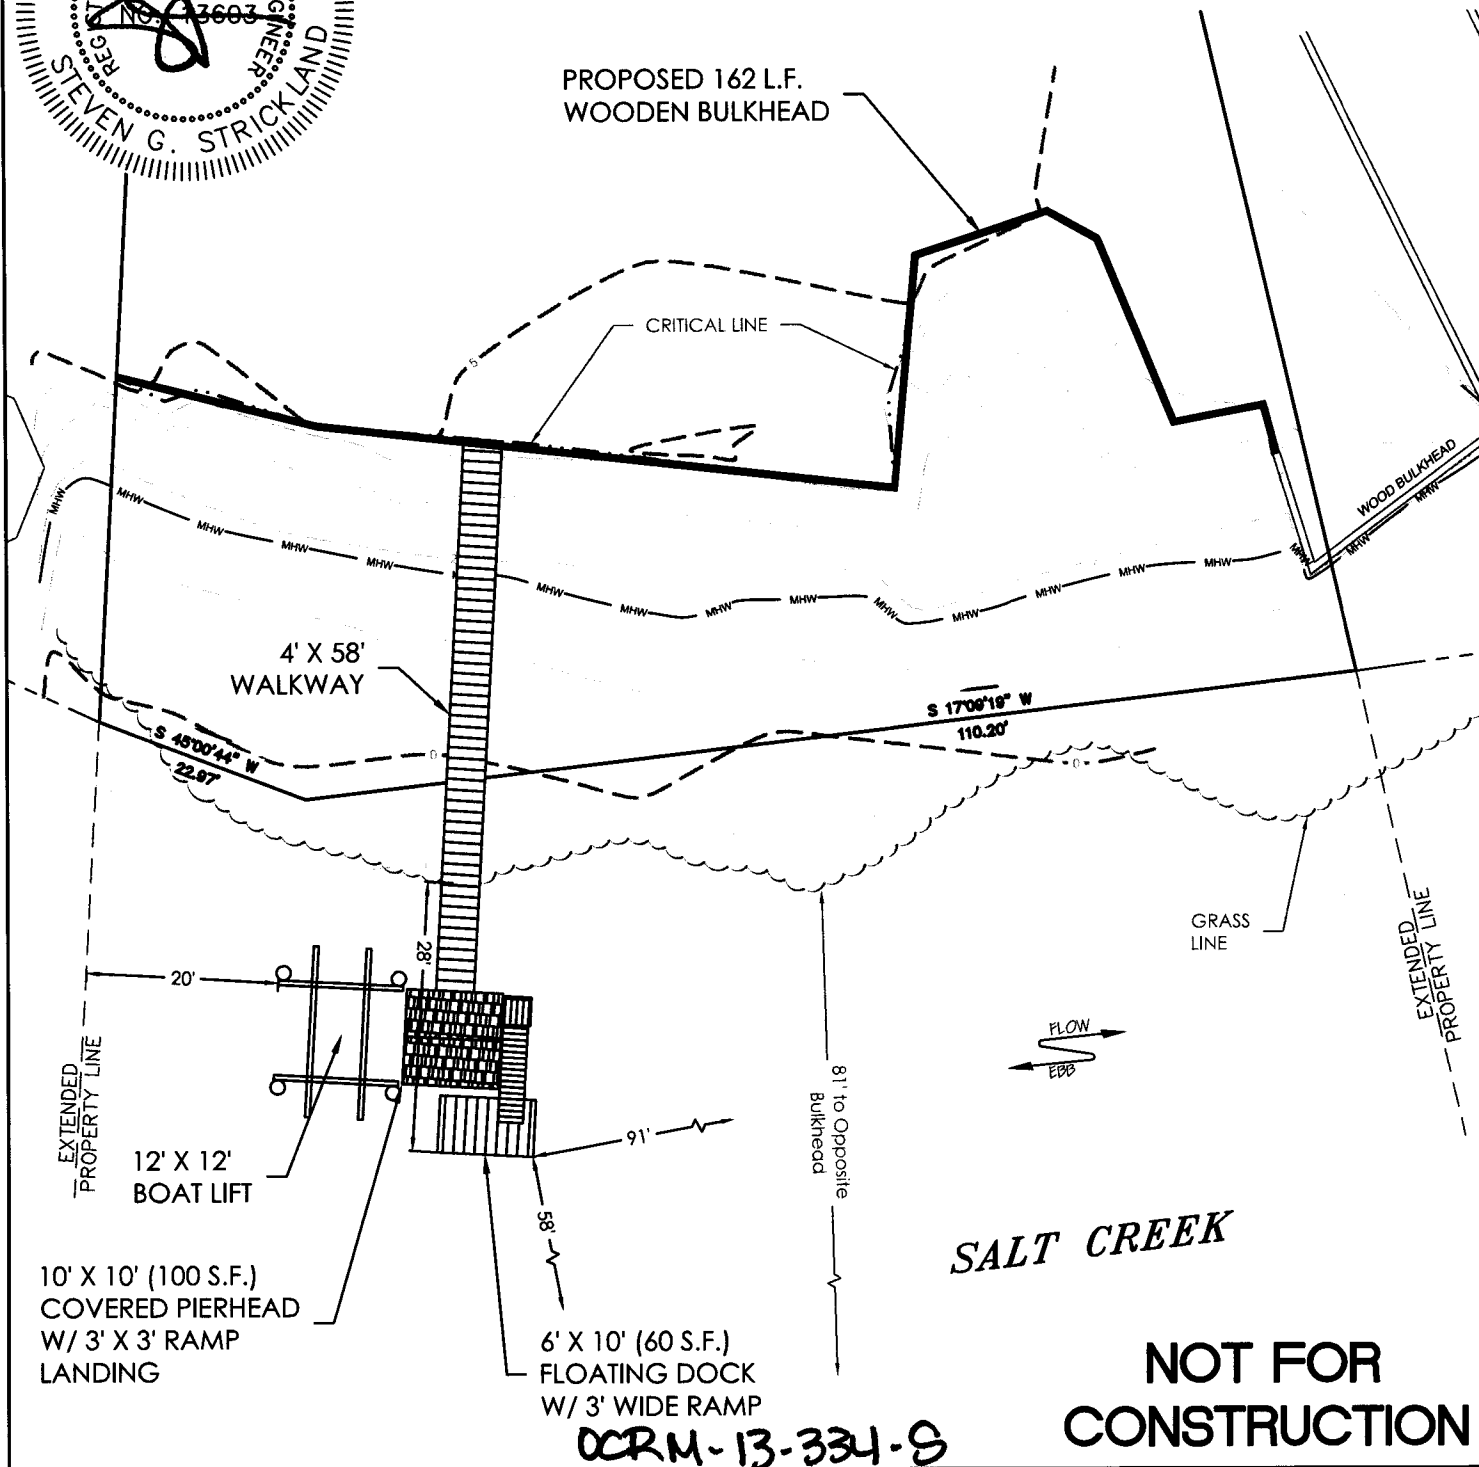

**NOTE:** Plans depicting the proposed work are available and will be provided upon receipt of a written request or may be viewed on the Department website at **[www.scdhec.gov/environment/ocrm/public\\_notice.htm](http://www.scdhec.gov/environment/ocrm/public_notice.htm)**.
